

Product Countdown PRO

Description

This module allows you to display countdown timers for products.

You can display countdown timers for all products with specific prices or activate it manually for chosen products.

Installation

To install the "Product Countdown PRO" module:

1) Install the module's archive in the Back office: go to the Modules page and click the "Add a new module" button. Then follow instructions.

OR

Unzip (decompress) the module archive file and, using your FTP software, place the folder in your PrestaShop /modules folder.

2) Go to Back Office >> Modules.

3) Locate the "Product Countdown PRO" module in the list, scrolling down if necessary.

4) In the row for the "Product Countdown PRO" module, click Install.

5) Locate the module again. Click >> Configure.

Usage

Configure the module in Back Office. There you can change module's settings, choose a theme or manage countdown timers.

CUSTOM Offer ends in: 01 09 09 44 Offer ends in: 01 09 09 44 Offer ends in: 01 09 09 44

Save

Main settings:

- 1) In order to change countdown size you can change countdown font size. You can specify different font sizes for product pages and product list.
- 2) In order to automatically display countdown timers for all products with specific prices turn on the option "Show countdown for all products with specific prices".
- 3) You can change countdown position by changing corresponding options: "Position in the product list" and "Position at the product page".
- 4) You can add, edit and remove countdown timers in corresponding blocks for products, categories and manufacturers.

PRODUCT COUNTDOWN TIMERS:

Here you can add a product countdown independently of specific prices.

ADD NEW COUNTDOWN

Delete expired

Product	Name	From	To	State	Discount	Actions
