

Prestashop Advance Reassurance Block {User- Guide}

With PrestaShop Advance Reassurance Block, you can highlight the relevant information of your store like payment security, hassle-free returns, original products, etc in a block.

Such information reassures the customers that the store is trustworthy.

Features

- A highly customizable block to display necessary information to the customers about your shop. E.g. shipping, order tracking, online cancellations etc.
- Reassures your customers of trustworthiness of the store.
- Display reassurance block on product page, category page, and CMS page.
- Display reassurance block at different positions of the page.
- Enable/disable, edit or delete the reassurance block easily.
- Gives confidence to the customers regarding the authenticity of the store.

Note

You need to add these hooks in your core PrestaShop for some specific features

Custom Hook for Classic Theme

1. {hook h='displayCategoryTop'}
Path: themes/classic/templates/catalog/listing/category.tpl
below open block {block name='product_list_header'}
2. {hook h='displayCMSTop'}
Path: themes/classic/templates/cms/page.tpl
below opening block {block name='page_content_container'}
3. {hook h='displayCMSBottom'}
Path: themes/classic/templates/cms/page.tpl
above closing block {block name='page_content_container'}

Custom Hook for Hummingbird Theme

1. {hook h='displayCategoryTop'}
Path: themes/hummingbird/templates/catalog/listing/category.tpl
below open block {block name='product_list_header'}
2. {hook h='displayCMSTop'}
Path: themes/hummingbird/templates/cms/page.tpl
below opening block {block name='page_content_container'}

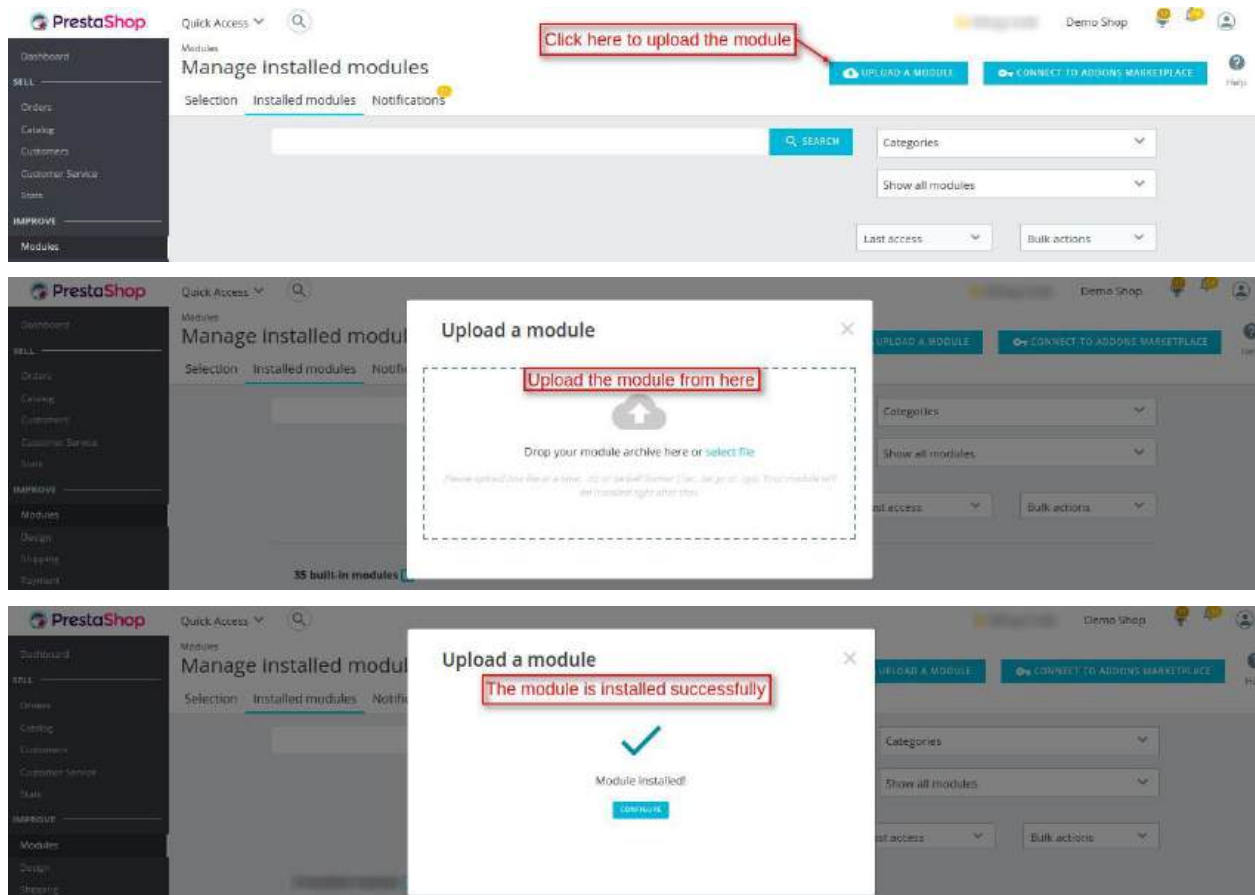

3. {hook h='displayCMSBottom'}

Path: themes/hummingbird/templates/cms/page.tpl

above closing block "{/block}" of {block name='page_content_container'}

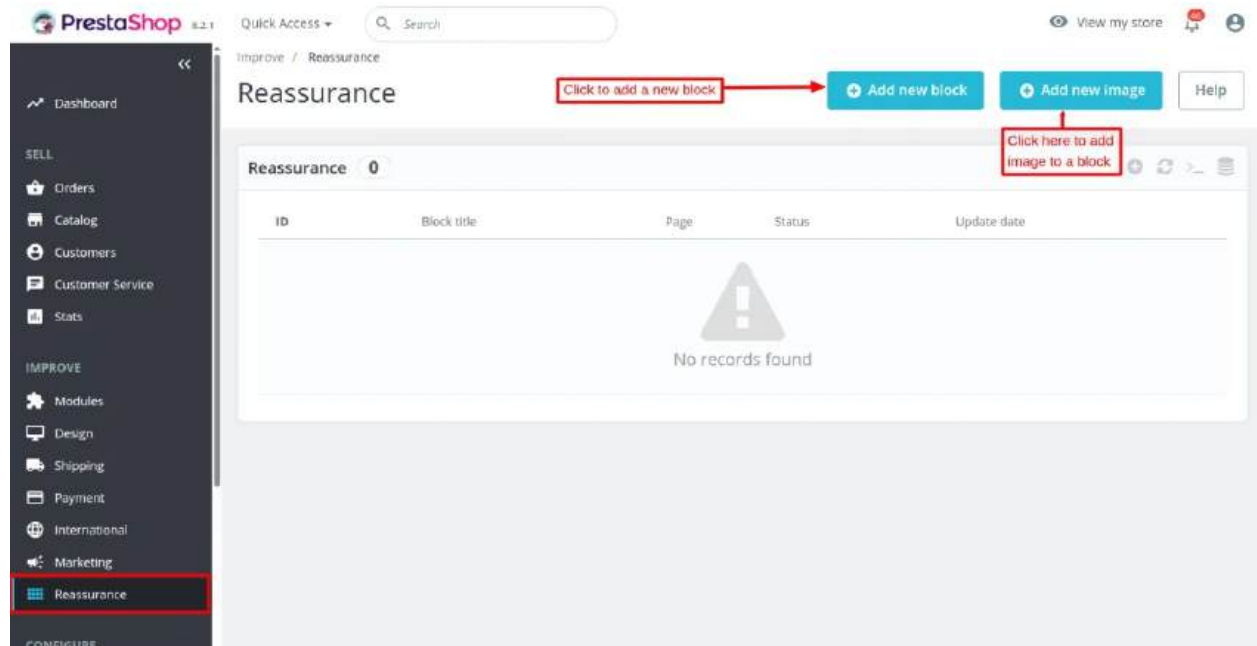

Installation

1. Go to the back office-> modules -> Upload a module
2. Upload zip file of "Advance Reassurance Block" module
3. The module will automatically get installed on your Prestashop.

Module Configuration

After the successful installation of Advance Reassurance Block module, admin can view the "Manage Reassurance" tab from where he can configure the module.

Admin can add the reassurance block by clicking on 'Add new block' button.

Display of Reassurance Block

- All page - If admin chooses to display a reassurance block on all the pages of the website then he has to select a hook on the page where he wants to display the reassurance block. In case of All pages, admin can select 'displayFooter' or 'displayFooterBefore'.
